

Tiny Homes

Our Moa Mansions Tiny Homes feature quality timber materials, full insulation throughout, full Kitchen, Laundry and Bathroom fittings.

Our team arrange all Drafting of your concept and construction plans, all processing through Council, or you may like us to place your Tiny Home on wheels.

We can get a new build underway, alter any specifications to your needs, budget and dimensions, and arrange all transport to your property.

Features in all our custom tiny homes, sleepouts and portable cabins: Treated timbers throughout and built to NZ3604. Double glazed tinted Windows and Sliding doors. Plastering and Painting to high standard. Electrical, Gas, Plumbing and Building Certificates. Grooved Ply ceilings and Gib walls (other options available on request). Foam backed Laminate Flooring (other options available on request). All floors, ceilings and walls are fully insulated.

Cabins & Kitsets

Moa Mansions supply and assemble under 30 sq metre Kitsets on your property.

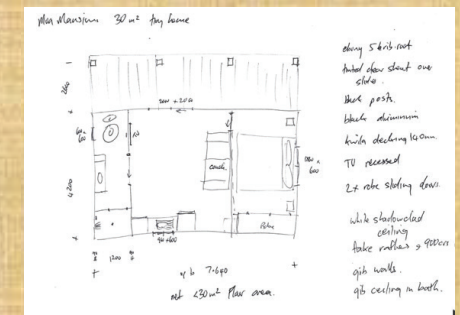

Just sit back, watch, and enjoy a fantastic, strong, and quality building constructed in just a few days. We can even continue and fully complete the interior fitout, electrical, flooring, decking, even a veranda.

Generally No consent is required for these under 30 sqm units. Building exemption rules do apply, we can fully help you with these.

These kitsets include...our own design fully Insulated kitset floor, H3.2 timber Joists, 19mm ply, Expol insulation, precut H3.2 Bearers, pre-cut and pre-nailed Wall Frames, Precut Rafters, Purlins and fastenings. Colorsteel Roofing and Roof paper. Roof strap bracing and tensioners. Exterior bracing/Barrier Ply. Quality new Aluminium Door/Windows to your specs and colour. Expanding foam, backing rod and window tapes. Exterior Ply, Shadowclad or Colorsteel cladding or a combination as a great feature.

Completed by our Licensed Building LBP team - 10 year guaranteed
